Bishop's College School

## **TRADITION.COM**

**N**estled in the heart of Quebec's historic Eastern Townships, on its 350-acre Lennoxville campus, Bishop's College School was founded as a boys' school in 1836. In 1972, the internationally renowned girls' school, King's Hall Compton, merged with BCS, creating a culturally diverse, bilingual, coeducational, independent boarding and day school for Grades 7 to 12.

BCS has grown and prospered since then. By celebrating the values and traditions we were founded on, while at the same time encouraging our students and teachers alike to explore new ideas and educational methods, we are preparing to excel as the great leaders and innovators of the 21<sup>st</sup> century. At BCS you will establish life-long friendships that span generations and time zones.

*Right learnings strengthen the character.*

The very essence of BCS is the strength of our academic programme. We will teach you to think critically, creatively, and independently. You will study in a vibrant multilingual, collaborative environment. By providing you with the latest in portable computers and campus-wide wireless access, we have strategically integrated information technology across the curriculum. BCS will provide you with the tools that are essential for your success in today's rapidly changing world.

Enthusiastic, committed, supportive teachers will work with you in small classes to develop a love of learning and academic confidence which will be the foundation of your post-secondary education. Our students emerge from BCS ready to take on the many different roles they will play as leaders in our global society.

New ideas, original thinking, impassioned teachers, state-of-the-art technology – you will find all of these at BCS.

# Expect the Very Best

## *Where teachers know more than just your name...*

Small classes. Passionate teachers. Exciting new ideas. Challenging courses with a broad range of electives. This is what you will find at BCS.

In classes with an average of just 12 students, you will have a chance to ask questions and discuss different points of view. Through collaborative learning, cross-curricular projects, experiments, and field trips, you will discover what it means to participate in your own education.

Our teachers are all dedicated professionals whose priority is to help you obtain your goals. The BCS faculty is made up of accomplished scientists, published writers and poets, highly trained musicians, skilled athletes, brilliant mathematicians, and many other knowledgeable experts who are here to challenge you, to push you, and to guide you. Their excellence has been recognized on several occasions with the following:

- BBC-British Council International Radio Playwriting competition – honourable mention
- Canadian One Act Playwriting Competition – 1st place
- Community Award for Teaching Excellence
- Jewish Public Library Teacher of Distinction Award
- The Prime Minister's Award for Teaching Excellence
- The Queen's Jubilee Medal for Service to Youth
- C. Scott Abbott Chair in English
- Richard H. Tomlinson Chair in Science

## *Get Connected*

Our school has made the transition to Tablet PC-based instruction and learning. When you arrive at BCS, you will receive your very own Tablet PC to use for the duration of your studies at the School. At BCS, technology is incorporated

into teaching by all academic departments. We are committed to having every student become adept at using computers for learning, research, and communication. Having your own portable computer will enable you to work in wireless classrooms and be connected to the technological world that is your future.

## *Now You're Talking!*

BCS offers ESL studies at all levels. Our goal is to prepare international students for the Test of English as a Foreign Language (TOEFL), allowing them to gain university entrance.

*"La relation qui existe entre les professeurs et les élèves est exceptionnelle. Elle crée un environnement propice à l'apprentissage que je qualifierais d'incomparable."*  
Justine L.

## ***Vive la difference!***

**A**s a primarily English-speaking school, located within a predominantly French milieu, BCS provides you with the unique opportunity to learn both in English and in French. The T.H.P. Molson Bilingual Option Programme allows French-speaking students to maintain fluency in their mother tongue and English-speaking students to reach higher levels of skill in French. Many courses are offered in both French and English across the curriculum.

## ***A Great Place for Learning***

**A** perfect blend of picturesque landscapes, historic architecture and modern facilities, BCS provides the ideal school venue for your departure into a whole new world of higher learning and discovery. The latest addition to our campus, Hartland Molson Hall, was constructed in 2004 and features the stunning 120-seat R. Lewis Evans Memorial Theatre with computer-controlled lighting, a workshop, and a studio which is home to the digital filmmaking programme. This building also houses a modern, sound-proofed music facility, a student centre complete with a recreational lounge, and the Peter Holt Memorial Library which contains 20,000 volumes, AV materials (490 CD-ROMs, DVDs, and videos), 45 periodical titles, and four prominent online services.

The recently renovated Pattison Science Building boasts nine science labs, including newly designed electronics and optics labs, and a computer lab. BCS also offers an exceptional and eclectic art studio.

## ***Small Classes – Big Results!***

**A**ttending BCS will prepare you for a challenging post-secondary education at any of the top universities throughout the world.

The School employs a university advisor to assist you in choosing a college or university that matches your interests, abilities and future career aspirations. Senior students are matched with a faculty mentor to provide guidance in their graduating year.

BCS is proud to say that 100% of our graduates go on to post-secondary education.

## **Recently, BCS students have been accepted at the following universities:**

— Mathieu B.

# The Journey

## *The World Comes to BCS...*

At BCS, the world is your neighbour... and your roommate. You will meet peers from over 25 countries around the world. International students make up 40 percent of our student body. This cultural diversity is one of the School's greatest strengths. You will live, learn, work and play alongside people from as close by as the United States or Mexico and as far away as Vietnam or Australia.

"The friends I have made at BCS are from all over the world. They have opened new horizons for me."  
— Alissa van M. (Germany)

# of a Lifetime

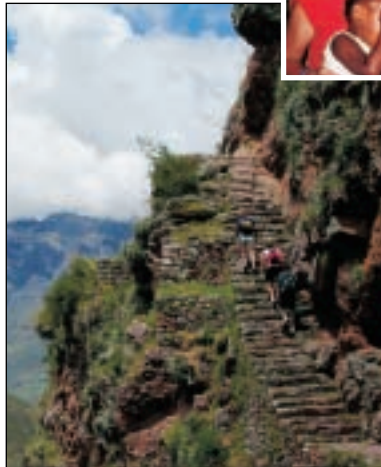

## ...and BCS Goes to the World

BCS believes in fostering international understanding on campus, and is one of over 40 schools from around the world to have been elected to membership in the Round Square – an international association of schools that promotes global connections. As a BCS student you will be a member of the Round Square, working to promote dedication to service, democracy, international understanding, environmental conservation and the spirit of adventure.

Round Square schools are situated worldwide, providing you with a unique opportunity to travel abroad in order to experience exchanges, to serve on work projects in developing countries with students from other schools, or to attend the annual five-day Round-Square international conference.

Travel is a fantastic way to take your education beyond the classroom. Several opportunities to see more of the world are available throughout the year. Sightseeing in Italy or Bali, debating in China, and playing rugby on Grand Cayman Island or in Scotland, are just a few examples of past trip destinations. And for the adventure-seeker, whether it be cross-country skiing across northern Lapland, climbing to the peak of Mount Kilimanjaro in Tanzania, or cycling through Peru and hiking in Macchu Picchu, BCS strives to provide you with world-class endeavours that will challenge your strength and character.

"The cultural diversity at BCS makes it a fun and interesting place to learn. The chance to travel abroad provides great insight into a multitude of cultures, and how other people live. We are so lucky to have all these opportunities right at our fingertips."

— Kuy Hun K. (Mexico)

## ***Bringing Your Masterpiece to Life***

Art at BCS is a hands-on programme that encourages you to get your hands dirty. At the Stoker Arts Festival, held on the last Saturday of April every spring, you will find talents you never knew you had as you take part in workshops in a wide variety of arts and crafts.

This festival offers you the opportunity to explore different media in the arts and to showcase your talent.

Regular class projects, as well as art history and theory, combine with outings to various galleries and museums to round out the arts programme.

## ***And the Band Played On...***

You will develop a deeper understanding of the language of music as you learn to play an instrument in the band. Your knowledge of the elements of music will increase as you appreciate, analyse, and perform various kinds of music including classical, jazz, and popular music.

There are four bands for you at BCS – marching, junior, senior and stage – which is why the music department is kept so busy. Students prepare for three major events during the year: the Christmas concert, the Spring concert and the Cadet Inspection.

The BCS choir also performs regularly in Chapel, as a community service at local churches and retirement homes, and elsewhere on special occasions,

The arts programme at BCS has truly shaped me. Whether it has been through my playing the trumpet in the marching band, performing in numerous 'Players' Club productions, or through my perseverance in art class, creative and performing arts have played an integral role in my life at the School.

— Danny H.

## *The Play's The Thing*

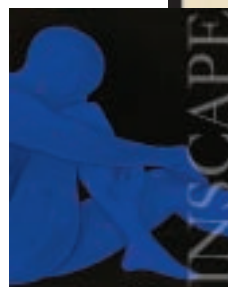

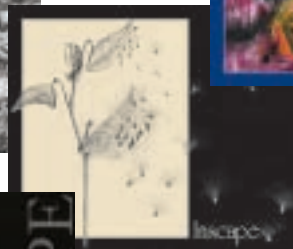

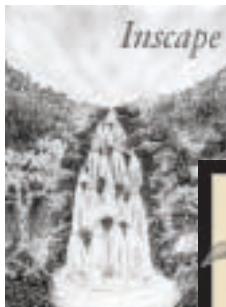

From scriptwork, and the creation of believable characters, to scenework and the writing and performing of soliloquies, monologues and short plays, the BCS Drama programme provides extraordinary variety. The programme also includes a component of acting for the camera, so get ready for some ACTION! As you progress through the programme you will experiment with different types of performances to develop characterisation skills and become more familiar with being onstage.

The BCS Players' Club has a long and impressive history. From *The Pirates of Penzance* to *Turandot*, from William Shakespeare to Tom Stoppard, from *The Miracle Worker* to *Little Shop of Horrors*, the BCS Players' Club has presented it all.

## *Words! Words! Words!*

You will learn to love writing and to value your creativity at BCS. Creative writing flourishes in our classrooms. At all levels, students write stories and poems; poetry decorates our hallways and is often read in Chapel. Our students consistently win contests and accolades, and students' works, in both English and French, are published regularly in anthologies outside the School.

A tribute to our students and their talents, *Inscape* is the School's literary magazine. It is entirely produced and written by students using professional desktop publishing software. At the same time, our artists draw and paint so that there is an illustration on almost every page. *Inscape* has repeatedly been given the "Highest Award" by the National Council of Teachers of English and is therefore among the highest ranked and most respected school literary magazines in North America.

She asked me to write a poem / to stretch my creativity to the outer limits /  
let the ideas flow from my head / a waterfall cascading out of my fingertips  
and streaming across fresh paper.

# Active Mind, Active Body

## Active Body, Active Mind

Whether you are looking for challenging competition or the chance to try a new sport you have never played before, you will find it here! As a BCS athlete, you will have the opportunity to compete on a number of interscholastic teams, as well as to participate in a wide variety of non-competitive sports.

BCS teams play against schools from across Canada and compete in league, provincial, and national championships. On occasion, teams go on tour, providing further possibilities for international travel. In recent years, our teams have won championships in basketball, football, rugby, soccer, swimming, and tennis. Part of this success is due to first-rate coaching at all levels, in all sports.

### *Fine Facilities at Your Fingertips*

The athletic facilities at BCS are second-to-none among Canadian high schools. The H. Weir-Davis Memorial Gymnasium contains two full-sized basketball courts, a 40-foot climbing wall, and a fitness centre. Two squash courts and Canada's oldest indoor hockey rink can also be found on campus. Outside facilities include six sports fields, three tennis courts, a running track, and several kilometres of wooded cross-country trails. Finally, a university swimming pool and the local golf course are within walking distance of campus.

"Sports at BCS are a great thing because they keep us active, they help us to get to know one another better, and they show us that we can do things we might never have tried to do before. Every sport I have been involved with here has been a positive experience."

— Gwen M.

## *Chapel*

The School day begins with a brief Chapel service between breakfast and the first class of the day. In chapel, you will have a chance to acknowledge community accomplishments, as well as special events, and to reflect on what is spiritually important to you. While the School celebrates its Anglican roots and traditions, special services reflecting a variety of faiths and cultural backgrounds are also held in order to foster an environment of international understanding.

## *Community Service*

Whether it be through raising funds for homeless teenagers, assisting with Girl Guides, bringing cheer to the local seniors' home, or preparing Christmas dinner at the women's shelter, BCS dedication to community service will provide you with the opportunity to involve yourself in a variety of enriching, meaningful and practical experiences which serve the school and community.

Through community service, you can learn new skills, assume responsibilities, become aware of the needs of others, and learn the importance of unselfish serving and giving. Community service links you to the wider community and exposes you to people and situations outside your previous experience.

## *Cadets*

Dating back to 1866, the Bishop's College School Cadet Corp #2 is the oldest continually active Cadet programme in Canada. Participation in Cadets will lead to incomparable opportunities for student leadership. You will become part of a rich school-wide tradition as you engage in formal leadership training, as well as activities that encourage outdoor survival, citizenship, teamwork, and discipline. The highlight of the cadet program is the ceremonial Cadet Parade and Inspection which takes place every Spring.

"Before I came to BCS what I needed was confidence –  
BCS gave it to me."  
— Courtney R.

## Weekends

You may wish to take part in some of the cultural, recreational, and sporting events that are offered locally, in nearby Montreal, and throughout Quebec and Ontario. Long weekends feature optional trips to places like Quebec City, Toronto, Niagara Falls, and New York City for activities such as sightseeing, skiing, or even attending the opera.

"It is a BCS goal to constantly challenge us so we can explore the limits of our abilities. BCS is a school that teaches so much more than the required curriculum, shaping us into so much more than just students."

— Jacob B. / Former Head Prefect

"Please let me thank you, your faculty, and the BCS staff for providing such a challenging, stimulating and welcoming home away from home for my daughter."

# Classmates, Teammates, Roommates

**BCS** is an extended family of classmates, teammates, roommates, housemates, houseparents, teachers, and coaches. Everyone at BCS is dedicated to providing a safe, healthy, and positive environment for you to thrive in. At BCS, your “House” is your HOME!

Residence life is an exciting and challenging experience. It is our goal at BCS to nurture a strong sense of self-discipline and shared responsibility in each of our students, while also providing the guidance and support you need. During your time here you’ll develop lasting friendships as you participate in numerous house activities such as dinners, inter-house competitions, spirit nights, birthdays, movie nights, Carnival, and more!

*“The House is a place where we bond into a multicultural family, led by houseparents who are great role models. Movie nights and birthdays, house activities and inter-house competitions, Mexican candy and Korean noodles; all of these things make BCS a comfortable, exciting and fun place to call home.”*

— christian H.

# See For Yourself

Come and experience Bishop's College School for yourself. The BCS experience is about life-long learning, life-long friendships and life-long success. Choosing to attend BCS means choosing to enter into a special relationship that will be with you long after graduation day.

Through this publication you have had no more than a glimpse of how exhilarating life at BCS can be; reading it has been an important first step in your evaluation of our School. The decision you are about to make concerning your educational future is a serious one. We hope you will visit our campus. When you do, we will arrange for you to tour the School, with one of our student tour

guides. That way, you will get an in-depth view of BCS, enhanced by the guide's honest approach and anecdotes.

If you are not able to make it to BCS, we can bring the School to you through various means, such as our website and the School's electronic newsletter, *The BCS E-Tie*. We can even put you in touch with current families and students, so that you can ask them any questions that you may have.

We invite you to come and experience what it is like to belong to the BCS family. See for yourself...

To arrange a campus visit, including a "sleepover" in one of our Houses, or to get to know BCS better, please contact:

# The Advanced Placement® Programme (AP®) at BCS

## The Advanced Placement Programme® (AP®) at Bishop's College School

BCS has been an AP School for almost twenty years. The programme was introduced to benefit motivated students keen on studying university-level courses. The College Board in the United States established AP in 1955. This cooperative programme between universities and participating schools has grown to include half of all secondary schools in the U.S. and approximately three hundred fifty high schools in Canada.

### What is the Advanced Placement Programme®?

The Advanced Placement Programme®(AP®) is a challenging academic programme designed to provide motivated high school students with college-level academic courses. Students are exposed to university-level content and expectations in AP courses, allowing them to feel more comfortable and have more confidence once they reach the academic setting of university. At BCS, AP content is taught concurrently with the School's curriculum and compliments the university preparation courses already offered.

### AP Courses Offered at BCS:

- Biology
- Calculus AB and Calculus BC
- Chemistry
- Comparative Government & Politics
- Computer Science
- English Literature and English Language
- European History
- French Literature and French Language
- Human Geography
- Macroeconomics
- Microeconomics
- Physics
- Studio Art

### Paving the Road to College or University...

Approximately three thousand North American universities and fifty-three (53) Canadian universities recognise Advanced Placement courses and examinations including UBC, McGill, Western and University of Toronto. Students presenting qualifying grades on AP Exams may earn anywhere from three to six credits in a given subject, thereby earning second-year standing in that subject. European universities also recognize the AP programme.

### AP Standards

AP exams are administered world-wide and graded according to rigorous AP standards by 6000 university professors and experienced AP teachers. Traditionally, BCS students score significantly above the Canadian national average on these exams.

Each AP exam is given a grade on a five-point scale:

- 5 – Extremely well qualified
- 4 – Well qualified
- 3 – Qualified
- 2 – Possibly qualified
- 1 – No recommendation

# The Advanced Placement® Programme (AP®) at BCS

## What is the difference between the Advanced Placement Programme®(AP®) and the International Baccalaureate (IB)?

The International Baccalaureate (IB) is another rigorous pre-university programme leading to examinations in six subject areas. The two-year IB diploma is typically completed by students in Grades 11 and 12, and features a broadly based curriculum that includes languages, social studies, experimental sciences, mathematics, and electives. IB candidates have the option of choosing to study subjects at Higher Level or Standard Level. For the IB diploma three subjects must be taken at the higher level.

Programme Elements	Advanced Placement Programme® (AP®)	International Baccalaureate (IB)
Recognition in the United States and abroad	YES	YES
Control over the process	Local	Centralised – Geneva
Diploma	AP International Diploma	IB Diploma
Cost	Low	High
Per capita fees	NO	YES
Annual affiliation costs	NO	YES
Flexibility	YES	Prescribed curriculum
Access	Open access – equity	Limited access
Minimum number of courses a student must enroll in to participate	1	3
Course work	NO	YES
Examinations	YES	YES
Teacher professionalism development	YES	YES
Number of exams/courses	Thirty-five exams, nineteen disciplines	Twenty-four courses (exclusive of languages)
Linked to university criteria	YES	NO
Assessment	Centralised assessment	Distributed assessment

## Why AP?

BCS opted for the AP programme over the IB for a number of reasons. While IB is also highly regarded by universities, the cost is more prohibitive. IB does not link its programme to university criteria, and IB curriculum is less flexible. IB also requires students to have over-all proficiency in all subjects in order to participate, whereas AP is more democratic, available to students who may not be interested in all areas or who do not excel across the board. The flexibility of the AP programme allows BCS students to maintain their co-curricular interests. In 2003, a special committee was formed to re-examine the benefits of the AP programme in comparison with the IB programme. The committee arrived at the conclusion that AP was a more natural fit with the School's philosophy and our already rigorous academic curriculum.

# The T.H.P. Molson Bilingual Option Programme

To have **mastery of more than one language** is to enjoy a tremendous advantage in life. The T.H.P. Molson Bilingual Option Programme at Bishop's College School provides you with an exceptional opportunity to learn a second language and to **benefit from the unique cultural richness** of Quebec and Canada.

## WHAT DOES THIS PROGRAMME INVOLVE?

The carefully structured courses in the T.H.P. Molson Bilingual Option Programme are designed to help English-speaking students attain a working practical knowledge of French and to help French-speaking students achieve the same goals in English. An example of courses offered in both French or English through the T.H.P. Molson Bilingual Option Programme are shown in this chart.

Grade	Course
7	Géographie
8	Histoire
9	Géographie
9	Expression dramatique
10	Histoire
11	Économie

It should be noted that students may write their final exams in the language of their choice (French or English). This assures that they are in no way penalised when confronted with exams from the Ministry of Education.

## WHAT ARE THE PROGRAMME'S OBJECTIVES?

BCS emphasizes the highest linguistic standards. Its aim is for graduates of the programme to leave the School with language skills they can use with ease, whether in an academic, professional, or social setting.

Various activities are organised outside of the regular academic schedule:

- cultural excursions
- plays
- films
- field trips to historical sites
- bilingual theatre productions performed by the students
- guest speakers
- student publications

## WHO IS ELIGIBLE?

All students, regardless of their first language, who have a sufficient knowledge of French and who wish to perfect their language skills, are eligible.

# Programme bilingue T.H.P. Molson

Un programme offert dans des **conditions d'apprentissage exceptionnelles** indispensable dans **un contexte interculturel** comme le nôtre.

## DE QUOI S'AGIT-IL?

De l'enseignement de certaines matières en français, celles-ci venant s'ajouter aux cours de langue française proprement dite.

Les cours actuellement offerts sont les suivants :

Secondaire	Cours
I	Géographie
II	Histoire
III	Géographie
III	Expression dramatique
IV	Histoire
V	Économie

Il est à noter que les élèves ont la possibilité de passer leurs examens dans la langue de leur choix (français ou anglais), ce qui ne les pénalise d'aucune façon aux épreuves du Ministère.

## QUELS OBJECTIFS VISE-T-IL?

- améliorer sa connaissance d'une langue seconde dans un contexte d'apprentissage sérieux.
- permettre aux élèves de quitter notre collège en possession de deux principales langues de communication internationale.
- profiter au maximum de la richesse culturelle du Québec et du Canada.

Des activités diverses sont organisées en marge de l'aspect purement scolaire :

- voyages culturels et visites de lieux historiques
- pièces de théâtre
- cinéma
- montage de pièces bilingues
- conférences
- publications

## A QUI S'ADRESSE-T-IL?

- à tous les élèves (peu importe leur langue maternelle) qui ont une connaissance suffisante du français et qui désirent profiter de leur passage à BCS pour parfaire cette langue.

# Toshiba Tablet PC Programme

## *BCS ON THE CUTTING EDGE OF TECHNOLOGY WITH TOSHIBA'S TABLET PC*

As a student at Bishop's College School you will be part of the first school-wide Tablet PC initiative in Canada. BCS, in partnership with Toshiba, now provides every student with his or her own Tablet PC. With this device, you can leverage the latest technological advances that will contribute to your academic success and prepare you for life beyond the classroom.

The Toshiba Tablet PC works like any laptop, but it has a unique twist – literally. You can twist the 12.1" display around to lie flat on the keyboard, giving you a legal pad-type Tablet PC! Tablet PCs combine the computing power and wireless connectivity of a laptop with the portability of a pad of paper. The whole screen is touch-sensitive, like a PDA, so the PC can be used more naturally and with greater flexibility.

The Tablet PC adds the power of technology to your learning experience. It brings a whole new dimension to mobile computing. Here are just some advantages of this device:

- **Portability** – carry it in your arms or backpack (*only 2.0 kg*)
- **Mobility** – do your work while you're on the go.
- **Advanced capabilities** – convert handwritten notes to text and make voice recordings.
- **Accessibility** – share information with members of a group project with ease.
- **Intensity** – enhance collaborative learning.
- **Adaptability** – International students can write notes in their own alphabets.
- **Accommodation** – provides communication options for students with learning disabilities.
- **Convenience** – wireless access to the Internet and the BCS network from anywhere in the school.
- **Facilitated note taking** – write or draw directly on the screen (*annotates files and images*)

The BCS educational vision is to provide you with the knowledge, experiences, skills and tools you will need for the world in which you will live and work. The Tablet PC is a technological tool that will enable you to achieve these competencies. Our goal is to empower you by preparing you for a changing world.

---

### Transform. Engage. Learn...

**Work without boundaries and succeed without limits – with the Toshiba Tablet PC.**

---

\* The cost of the Tablet PC programme is included in the students' tuition. Students and their families will be responsible for a total monthly charge of \$9.95 (plus applicable taxes) to cover the rental of an exchange mailbox, software licenses, and the Tablet PC service plan, from September to August.

# BCS Application for Admission

## Applying to Bishop's College School

### Application Procedures:

- 1 Parents complete, sign and date the appropriate sections of the application for admission and send it with the non-refundable application fee of \$100 to the Admissions Office at BCS. They are to enclose **two passport size photographs** of the applicant. Canadian applicants should provide a copy of their birth certificate showing the names of both parents. International students must include a copy of their passport pages.
- 2 Students complete the student portion of the questionnaire.
- 3 The parents must request that the applicant's school complete the Confidential Report and mail or fax it directly to BCS.
- 4 The school must attach copies of the applicant's final report card (translated into English if applicable) from the previous year and the most recent report card from the current year. The final report of the current year must be submitted prior to admission in September.
- 5 Contact the Admissions Office to make an appointment for the admissions interview.
- 6 All applicants write a BCS Math entrance test, and all applicants whose first language is English write a BCS English entrance test. Results from SSAT completed within the current year may be submitted in lieu of these tests.
- 7 All applicants whose first language is not English require an official language test score: either the BCS ESL Test or SLEP (Secondary Level English Proficiency) for applicants Grades 7 to 10; or TOEFL (Test of English as a Foreign Language) for Grades 11 or 12 applicants.

**A decision regarding admission is made only when the application file is complete.**

### Application Check List:

- ☐ Application form to be completed, dated and signed by parent and applicant
- ☐ Confidential Report to be completed by applicant's present school and sent to BCS
- ☐ Two passport size photographs of the applicant
- ☐ \$100 CAD Application Fee (*non-refundable*)
- ☐ Canadian students must submit a copy of the long birth certificate showing both parents' names.  
International students must submit a copy of passport and translated birth certificate showing both parents' names.
- ☐ Copies of final report card from previous year and the most recent report card from current year (*translated into English if applicable*).
- ☐ A recognized English-language test score for applicants whose first language is not English.  
(1) a BCS ESL Test or (2) SLEP Test or TOEFL (*for Grade 11 or 12 applicants*)

### Visiting BCS

One of the best ways to get to know a school is to spend some time on its campus, talk with current students, attend some classes, visit with teachers and get a sense of what it is like to study and live there. BCS is fortunate to have one of the most beautiful campuses in the country and our student tour guides will be proud to show you their school. Let us know at least one week in advance if you will be visiting so that we can organize tours and accommodation if you would like to stay overnight. We like to have a chance to talk to each family as a group, as well as to interview each applicant individually. At least three hours should be set aside for a visit to BCS. The best time to call for an appointment is between 8:30 AM and 4:30 PM Monday through Friday. Dates for Campus Days are available through the Admissions Office, or by checking the BCS website at [www.BishopsCollegeSchool.com](http://www.BishopsCollegeSchool.com)

**International students** must have a Certificate of Acceptance (CAQ) from Quebec Immigration and a Student Permit from the Canadian Consulate / Embassy to be able to attend BCS. Once the student has been accepted, the Admissions Office will provide parents with information on how to obtain the above documents. Visitor's visas and passports must be kept up-to-date by the parents.

This student is applying for admission to BCS. In order to determine whether BCS is a suitable environment, we are interested in knowing as much as possible about the candidate’s academic potential, achievement, character, and social adjustment.

Bishop’s College School is a co-educational independent school for grades 7 through 12. Of the 250 students enrolled at BCS, 200 board on campus; 30% of the student body is from outside Canada and the United States, drawn from more than 25 countries. Almost 100% of our graduating class continues on to universities in Canada, the US or the UK.

Courses are taught at the advanced level throughout a traditional (non-semestered) school year. Our curriculum includes an optional Bilingual Program and Advance Placement (AP) Program. The average class size is 12 students.

The School stresses a structured, multi-faceted educational setting: athletics, extra-curricular activities, morning Chapel, supervised evening study, and participation in the Cadet Corps are all mandatory activities.

We would appreciate your observations about the areas listed below. You may indicate your ratings by numbers (1 to 5) in the right-hand column. Please use a question mark (?) where you have insufficient evidence to make a judgement. Questions follow below.

AREAS	1	2	3	4	5	Your Rating

PERSONAL OVERALL QUALITIES	Outstanding person in all respects	Considerable appeal, generally quite strong	Generally ok, no outstanding strengths or weaknesses	Not very outgoing, immature	Poor impression, very immature	
CARE AND CONCERN FOR OTHERS	Outstanding	Excellent	Good	Lacks concern	Unconcerned	
EMOTIONAL ADJUSTMENT	Exceptionally well adjusted	Well balanced	Usually well balanced	Excitable or unresponsive	Very emotional or apathetic	
RECOMMENDATION AS A STUDENT	Outstanding	Excellent	Good	Fair	Poor	
RECOMMENDATION AS A PERSON	Outstanding	Excellent	Good	Fair	Poor	

Student’s average percentage grade \_\_\_\_\_ Your school’s passing grade \_\_\_\_\_

Is the student in good standing and eligible to re-enter your school if you offer the next grade level? ☐ Yes ☐ No

Has the student repeated any grade? ☐ Yes ☐ No

Has any disciplinary action ever been taken with this student? ☐ Yes ☐ No  
(If so, briefly explain and note any serious breaches of discipline and the disciplinary action taken.)

Has any disciplinary action involved alcohol or drugs? ☐ Yes ☐ No

Does the applicant have any significant limitations or weaknesses? ☐ Yes ☐ No  
(If so, briefly explain what these are.)

Please complete this form and mail or fax it to Bishop’s College School with the most recent transcript of marks, and the marking system you use (for example, A=90-100). Your candid estimate of the applicant is confidential and will be of invaluable assistance to the Admissions Committee.

**For schools outside of Canada:** Transcripts in a foreign language must be translated into English and certified. In addition to the mark received for each subject, foreign transcripts must show the number of classroom hours per week for each subject. With this information we can properly place the student.

**Confidential Report of the Principal/Head/Counsellor/Core teacher**

## PARENT(S) / SCHOOL RELATIONSHIP

Parents are an important part of our relationship with the student. If you feel it is appropriate, please share with us any thoughts you have regarding this family.

Are you aware of any family circumstances that affect the student's life at school? \_\_\_\_\_

To your knowledge, has the student ever been referred to a counsellor or psychologist for assessment? ☐ Yes ☐ No

*If yes, please explain circumstances.*

### Additional comments

Please use this space to write your estimate of the applicant's possible success and contribution to Bishop's College School. You are encouraged to comment candidly on those characteristics that seem to you to distinguish this student from other students with whom you have been associated. Illustrate by example when appropriate. Is the applicant's record with your school a true index of ability, or have outside circumstances interfered with academic achievement? (For example: attendance, excessive involvement in extracurricular activities or difficult home situation.) What suggestions can you give Bishop's College School to help this student be successful and happy? Please include any other information that would be helpful to us in evaluating the ability of this student.

If the student will be boarding at Bishop's College School, please discuss the candidate's characteristics that will help and/or hinder their involvement in boarding school life.

Thank you for your time and effort in evaluating this student and assisting both the applicant and Bishop's College School. You are welcome to call if you would like to discuss the candidate personally. Your information will remain confidential.
